Transmittal No. 292

Honorable Kimberly D. Bose
Office of the Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Re: F.E.R.C. Tariff No. 100.34.0 cancels F.E.R.C. Tariff No. 100.33.0 (Docket No. IS14-614-000).

Dear Secretary Bose:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act (ICA) and the Commission regulations. This tariff is issued by Explorer Pipeline Company (“Explorer”) and bears the designation as FERC No. 100.34.0. The tariff is filed to become effective on September 1, 2014 on 18 days’ notice.

FERC Tariff No. 100.34.0 contains the following revisions to Explorer’s FERC No. 100.33.0:

- Updates the “volumes bid” and the “market clearing rates” in the Table of Bid Rates, Part V for the month of September, 2014.

The tariff is filed on short notice to become effective September 1, 2014 on 18 days’ notice pursuant to 18 CFR § 341.14 and § 6 of the ICA. Short notice has been requested by a committed shipper for the new Diluent Volume Incentive Rate to be effective September 1, 2014. In addition, bid nominations are received by Shippers on the 10th of the month (August 10 for this filing) preceding the nomination period (September 1 – September 30), which results in the filing being made on short notice in order to be effective at the first of the month, September 1, 2014. Explorer understands that this tariff is conditionally accepted subject to refund pending a 30-day review period.

Explorer’s tariff filing is based on its market-based authority granted by the Commission in Docket OR99-1-000, issued June 30, 1999 (87 FERC ¶ 61,374). For the ease to our Shippers, Explorer has maintained one tariff structure, which includes both intrastate (non-jurisdictional) and interstate rates (FERC jurisdictional).

Pursuant to 18 C.F.R. § 343.3 of the Commission regulations, Explorer requests that any protest or other filing with regard to this tariff be sent electronically to Curtis L. Craig at
ccraig@expl.com. All tariffs published by Explorer Pipeline Company may be viewed and printed from our website at www.expl.com.

I hereby certify that on or before this date, I have caused service to be made pursuant to 18 CFR §385.2010(f)(2) by means of transmission agreed upon in writing by the subscriber.

If you have any questions, please do not hesitate to call me at (918) 493-5107.

Yours very truly,

Curtis L. Craig
