General Counsel & Corporate Secretary

November 21, 2008

Dear Tariff Subscribers:

The accompanying schedule is issued by Explorer Pipeline Company ("Explorer") and bears the designation as Supplement No. 1 to Letter Tariff No. 2, Joint Pipeline Tariff. The schedule is filed to become effective January 1, 2009.

On October 31, 2007, Explorer purchased from CITGO Products Pipeline Company, a pipeline system from Houston, Texas through Arlington, Texas (the Eagle Pipeline South System). CITGO Products Pipeline Company ("CITGO") has retained ownership of a 3.1 mile pipeline from the inlet flange of the receiving line at Kinder Morgan's Pasadena, Houston Terminal to the inlet flange of the Galena Park Pump Station (CPPL line) on the Eagle Pipeline System.

Supplement No. 1 to Letter Tariff No. 2 provides for joint tariff rates from CITGO's CPPL Line to Explorer's destinations in North Houston, Waco, Irving, Grapevine, and Ft. Worth. This filing reflects a general rate increase of 6.0¢ per destination related to Explorer's services only. CITGO concurs with the filing of Supplement No. 1 to Letter Tariff No. 2.

If you have any questions regarding this tariff, please call Curtis L. Craig at 918-493-5107. In addition, if you have any questions regarding the participating connecting carrier, CITGO Products Pipeline Company, please contact Mr. Rod Wells at 832-486-4799.

All tariffs published by Explorer Pipeline Company may be viewed and printed from our website at www.explorerpipeline.com.

I hereby certify that I have on or before this date, distributed copies of Supplement No. 1 to Letter Tariff No. 2 by First Class Mail to all subscribers thereto as well as electronically to subscribers as requested. If you have any questions, please do not hesitate to call me at (918) 493-5107.

Yours very truly,
