Vice President, General Counsel & Corporate Secretary

February 14, 2023

Transmittal No. 418

Honorable Kimberly D. Bose
Office of the Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Re: F.E.R.C. Tariff No. 100.108.0 cancels F.E.R.C. Tariff No. 100.107.0 (Docket No. IS23-118-001).

Dear Secretary Bose:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act and the Commission regulations. This tariff is issued by Explorer Pipeline Company ("Explorer") and bears the designation F.E.R.C. Tariff No. 100.108.0. The tariff is filed to become effective on March 1, 2023 on 14 days' notice.

The revisions reflected in F.E.R.C. Tariff No. 100.108.0 includes:

- Item No. 10(b), Commodity & Specifications: updated to reference the current version of the Shipper's Manual, Section 3, Fungible Product Specifications, dated March 1, 2023; and
- Updates the "volumes bid" and the "market clearing rates" in the Table of Bid Rates, Part V for the month of March, 2023. There were no bids for the Southern Mainline Segment. The Market Clearing Rate for the Northern Mainline Segment was \$0.10 per barrel above the applicable Regular Rate or Specialty Rate.

In addition, Explorer is filing herewith an updated version of its Shipper Manual, Section 3, Fungible Product Specifications, dated March 1, 2023, as such manual is defined and referenced in the accompanying tariff. Explorer updated and clarified Section 3, Fungible Product Specifications.

Pursuant to 18 C.F.R. § 341.14 (Special Permission), Explorer requests that it be granted a waiver under Section 6(3) of the ICA to file F.E.R.C. No. 100.108.0 on 14 days' notice, so that it may become effective on March 1, 2023. Explorer submits that good cause exists for granting a waiver under Section 6(3) of the ICA. Permitting the tariff to become effective on less than 30 days' notice will allow Explorer to include the updated "volume bid" and "market clearing rates," which are being established in accordance with Item No. 113 (Bid Rates), in the tariff as soon as possible. Explorer also submits that no shipper should be adversely impacted by allowing F.E.R.C. No. 100.108.0 to become effective on short notice.

Pursuant to 18 C.F.R. § 343.3 of the Commission's regulations, Explorer requests that any protest or other filing with regard to this tariff be sent electronically to Celeste Johnson at cjohnson@expl.com. All tariffs published by Explorer may be viewed and printed from Explorer's website at www.expl.com.

I hereby certify that on or before this date, I have caused service to be made pursuant to 18 CFR § 385.2010(f)(2).

If you have any questions, please do not hesitate to call me at (918) 359-5474.

Yours very truly,

Celeste Johnson
