Re: F.E.R.C. Tariff No. 101.25.0 cancels F.E.R.C. Tariff No. 101.24.0 (Docket No. IS24-549-000)

Dear Acting Secretary Reese:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act and the Commission's regulations. This tariff is issued by Explorer Pipeline Company ("Explorer") in connection with Phillips 66 Carrier LLC ("Phillips 66") and bears the designation as F.E.R.C. No. 101.25.0. The tariff is filed to become effective August 18, 2024.

FERC No. 101.25.0 provides for volume incentive rates for regular products and specialty products to any Shipper deliveries from Phillips 66's Hartford, Illinois Terminal to Explorer's Wood River origin facilities to Explorer's destinations at St. Louis, Missouri; East St. Louis, Illinois; Wood River Local Deliveries, Illinois.

F.E.R.C. Tariff No. 101.25.0 contains the following revisions:

- Item No. 110, Volume Incentive Rates to St. Louis, Missouri; E. St. Louis, Illinois, and Wood River, Illinois Local Deliveries, updated to cancel volume incentive rates to Irwin/Cochin Terminal, Illinois; and Marathon Griffith, Hammond, and Buckeye Chicago Complex, Indiana; and
- Table of Rates, Parts I and II reflect cancellation of rates for: Irwin/Cochin Terminal, Illinois; and Marathon Griffith, Hammond, and Buckeye Chicago Complex, Indiana destinations.

Explorer was granted market-based ratemaking authority in Docket OR99-1-000, issued June 30, 1999 (87 FERC ¶ 61,374). Explorer's local rates in connection with the joint tariff are market-based rates pursuant to 18 CFR § 342.4(b). Phillips 66 local rate was initially justified pursuant to 18 CFR § 342.2(b) and has been subject to indexing adjustments thereafter pursuant to 18 CFR § 342.3. In accordance with Commission precedent, the increased joint tariff volume incentive rates and specialty product rates set forth in the tariff are either less than or equal to the total local rates of the posted tariffs for Phillips 66 and Explorer (participating carriers), as such rates are set forth in Phillips 66 F.E.R.C. No. 4.20.0, Docket No. IS24-320-000 and Explorer's F.E.R.C. No. 100.122.0, Docket No. IS24-641-000.

Pursuant to 18 C.F.R. § 343.3 of the Commission's regulations, Explorer requests that any protest or other filing with regard to this tariff be sent electronically to Celeste Johnson at cjohnson@expl.com. All tariffs published by Explorer Pipeline Company may be viewed and printed from our website at www.expl.com.

F.E.R.C. Tariff No. 101.25.0 is a joint tariff with Phillips 66 Carrier LLC and it concurs with the filing of F.E.R.C. No. 101.25.0. If you have any questions regarding the participating connecting carrier, please contact Mr. Alan Fairwell, Director of Tariffs, at (832)765-1608.

I hereby certify that on or before this date, I have caused service to be made pursuant to 18 CFR § 385.2010(f)(2).
